

The poster features a central white circle containing the text. Surrounding this circle are various scientific illustrations: a microscope at the bottom, a DNA double helix at the top, a cell diagram on the left, and molecular models on the right. The background is decorated with light blue hexagons and a large pink arrow pointing right.

Illustrator Festival ²⁰²⁴

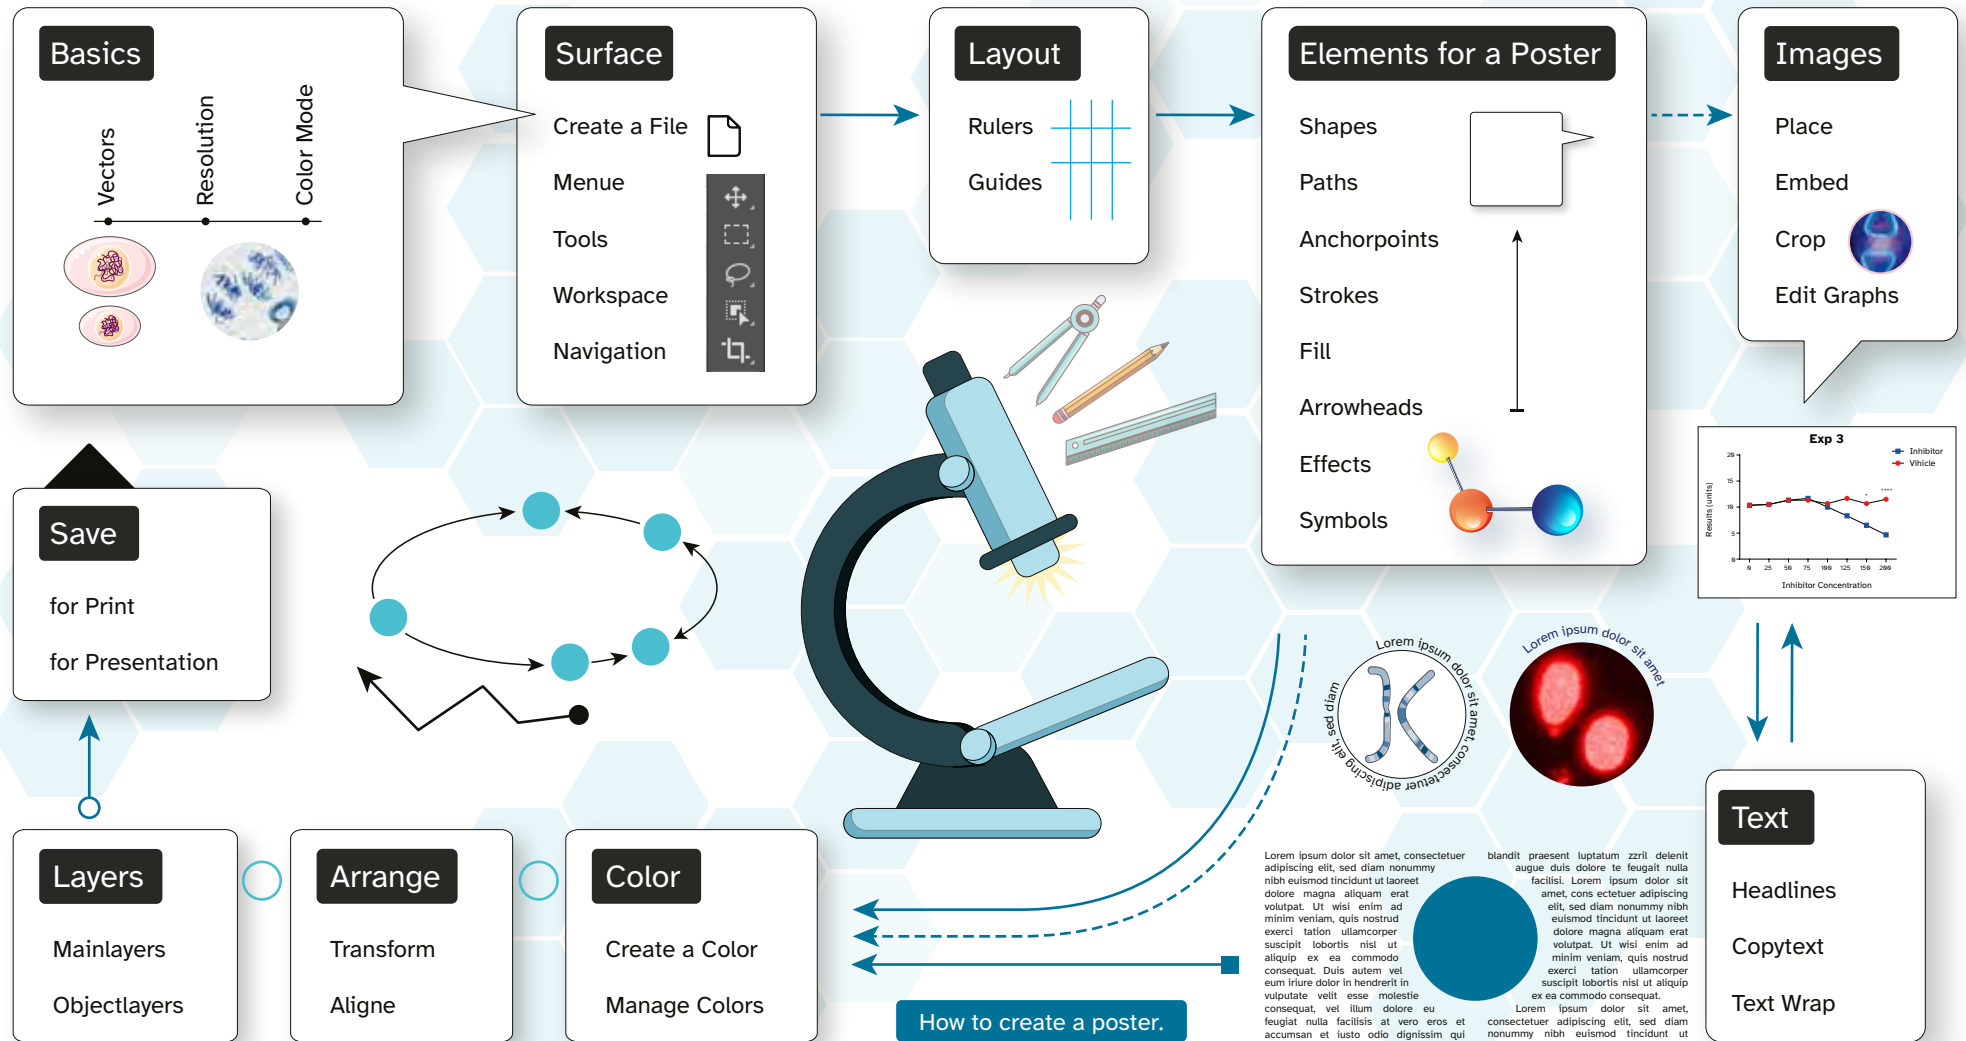

April 8 – 9

Course:

- **Create a Science Poster**
- **Create a Figure**
- **Work on your project**

Lecturer: Jana Wolf-Schadt
